

Consider switching from a hospital setting to a career in home healthcare!

Caring4Cal.org is a workforce development program by the California Department of Health Care Access and Information (HCAI).

It offers FREE training, coaching, and up to \$2,750 in incentives for licensed or certified healthcare providers interested in switching to or growing their skills in home and community care.

Benefits to a home care career include:

- Flexible schedules
- Growing healthcare field
- More time with clients to build relationships
- Strong patient care outcomes
